PRESIDENT: All right. Is there any further necessity for discussing the motion to suspend the rules. The question is then, should the rules be suspended and the resolution be considered. All those in favor of suspending the rules will vote aye, those opposed will vote no. This is the motion to suspend the rules only for consideration for the resolution. Thank you. Clerk will record.

CLERK: 32 ayes on the motion to suspend the rules.

PRESIDENT: Now, Senator Savage you can make your motion on..

SENATOR SAVAGE: I move the adoption of the resolution be forwarded to the members of the Congress from the Nebraska to the United States Transportation Department.

PRESIDENT: Very good. We are now discussing Legislative Resolution and it's possible adoption ill, I think it was as found on page 473 of the Journal, and the Chair recognizes Senator Duis.

SENATOR DUIS: Mr. President and members of the Legislature. I am vitally interested in this also, but I did want to convey information to you that I had talked to the man in charge of this particular program and the one who had made the original decision. SENATOR SAVAGE: I have the recommendation of it..Mr. Doyle however...

SENATOR DUIS: Well, I'm just wondering if he is a member of this Board of Advisors or not. Do you know.

SENATOR SAVAGE: No, I do not.

SENATOR DUIS: Thank you. Well it is.

SENATOR SAVAGE: Well, he's for it.

SENATOR DUIS: He could held us tremendously if he is a member of the Board of Advisors.

PRESIDENT: The Chair recognizes Senator Snyder and then Senator Whitney.

SENATOR SNYDER: Mr. President and members of the Legislature. I did not come prepared this morning to talk about this resolution. But in listening to Senator Savage I have some questions, if you would, Sir.
